DATE July.....1986.....

the 1980s, the number of people in the population aged 65 years and over has increased by 25% (Table 1).

There is a growing awareness of the need to provide services for the elderly population. The Department of Health (1982) has produced a report on the needs of the elderly population, and the Department of Social Security (1983) has produced a report on the needs of the elderly population. Both reports have identified the need for a range of services to meet the needs of the elderly population.

The Department of Health (1982) has identified the need for a range of services to meet the needs of the elderly population. These services include: (1) housing, (2) transport, (3) social services, (4) health services, (5) education, (6) recreation, (7) shopping, (8) banking, (9) insurance, (10) legal services, (11) religious services, (12) cultural services, (13) voluntary services, (14) community services, (15) and other services.

The Department of Social Security (1983) has identified the need for a range of services to meet the needs of the elderly population. These services include: (1) housing, (2) transport, (3) social services, (4) health services, (5) education, (6) recreation, (7) shopping, (8) banking, (9) insurance, (10) legal services, (11) religious services, (12) cultural services, (13) voluntary services, (14) community services, (15) and other services.

Sutton School Doors Close for Last Time

By ALICE M. ANDERSON

The Evening Gazette
Northbridge Bureau

SUTTON — Yesterday was the last day of school for elementary pupils here, and the last day that Manchaug and Wilkinsonville schools will ever accommodate pupils.

The buildings were locked by the principals at 9:30 a.m., and the kids were gone by 10, except a few who lingered at the swings or in the play areas. The approximately 200 who attended the schools will board buses in September for

added, giving five rooms, all on one floor.

Built in 1917

The Wilkinsonville School was built in 1917 with \$10,000 in town funds. Four classrooms were on two floors. At one time, eight grades attended classes there, but for many years it has been limited to the first four grades.

In September, students will be housed in the new three-school complex. The oldest building there is the Memorial Building, used when it was first opened in 1950 for grades one through 12. It has been

1980

1981

Once upon a time (in September, 1980) there was a young, naive class of 88 freshmen. This class, which is a very great class indeed, stood facing the huge (or what seemed huge then), onimous, brick building otherwise known as Sutton Memorial High School.

Filled with a combination of insecurities, fright and gladness (they weren't in middle school anymore!) they entered enmasse as the Class of 1984. Unfortunately, they found themselves to be low men on the totem pole. Not only were they teased by seniors, juniors, and sophomores (our friends the Class of '83), Mr. Filipkowski was forever signing, "Gremlins! What will I ever do with them?" What more could they do but innocently ask, "How do you spell your name again?"

The class quickly got organized electing R. Roy as their leader, M. Paradise as second-in-command and E. Lombardi and D. Cahill (two of the classes later casualties) as secretary and treasurer. J. Eaton became the first Student Council member.

R. Maranda became "the" manager, handling all the duties of the J.V. soccer, basketball and baseball teams. These teams consisted of several freshmen faces including D. Perry, M. Licopoli, K. Ryan, and M. Shaw on the J.V. soccer team and K. Jarvais (another later casualty) and Erin on the J.V. field hockey team. Meanwhile, R. Ustinovich ran cross-country as the lone freshman.

Dave, Keith, and Kim, along with R. Roy, C. Conlon, and P. Robbins filled out the rosters of the J.V. basketball teams. K. Paquette, C. Hagglund, B. Richard, and A. Adams were chosen to represent the school as cheerleaders. R. Vasalofsky and K. Jarvais played baseball and softball respectively, while R. Hatfield was a helpful softball manager.

Freshmen were also involved in other types of extra-curricular activities. A. Adams, T. Chesitis, K. Paquette, D. Cahill, K. Hodgman, T. Desrosiers, P. Roberge, L. Loach, C. Larsen, K. Fairbend, and C. Hagglund sang in the chorus, while Rich, Marty, and Carl played in the band.

Several students also set out to organize their own kind of things. Barbara, along with K. Muzzy and C. Libbey, formed an Art Club and painted a Suzies mural to match the boy's in the gym. K. Donahue and E. Lombardi also became very involved with the play that was produced that year.

Once again in the fall, the Class of '84 congregated at the school. They were a little less nervous and a bit more mature. They were sophomores and one step closer to graduation. As sophomores, they elected M. Paradise as President, B. Richard as Vice, R. Lindblad as Secretary, and K. Donahue as Treasurer. Mary and Pam were also on Student Council.

1982

1983

Soccer players were D. Perry, K. Ryan, and B. Scholten. Field hockey team members were M. Paradise, B. Richard, K. Muzzy, K. Jarvais, E. Lombardi, and J. Eaton. S. Beique, L. Christensen and P. Robbins ran cross-country for the first time. Basketball season came and went with C. Hagglund, M. Brigham, W. Fors, B. Scholten, S. Army, and C. Conlon playing J.V. and K. Jarvais and P. Robbins on the Varsity squad. K. Paquette, C. Larson and G. Lister were on the cheerleading squad this winter. And in the spring, R. Hatfield, K. Jarvais, K. Towle, R. Vasalofsky, and K. Ryan played softball and baseball.

Singing in chorus this year were the same group of girls (except Tina, Cindy, Karen) in addition to K. Speck, and M. Brigham. C. Conlon, S. Robertson, M. Licopoli, and C. Serjack played in the band and A. Auger and J. Talbot were members of the Photo Club.

The class at this point was quite confident in itself although its members may have been some what apprehensive about becoming upperclassmen and being burdened with new worries about graduation, college and the SAT's. But nothing could be done to slow the passing days and soon it was summer and school was out.

As juniors, the class was presented with and array of new and different "junior things" like class rings, driving licenses, selling carnations, the prom, N.H.S. and thoughts of graduation. B. Richard was elected as President, P. Robbins - Vice, K. Speck - Treasurer, and K. Muzzy - Secretary. Barbie, Pam and K. Donahue were also elected to Student Council.

Several students participated in the new "After Hours Program" and National Honor Society members were inducted. N.H.S. members were L. Simmons, R. Maranda, C. Hagglund, S. Biava, M. Paradise, S. Rocheleau, P. Robbins, K. Donahue, K. Muzzy, B. Richard, and C. Conlon.

Unfortunately, the uproar about cutting sports from the school system seemed to affect the class and there was decline in enrollment (suddenly they were down to 64 members) and class participation.

T. Chesitis, M. Brigham, J. Eaton, and P. Robbins played for the field hockey team while D. Perry, R. Venincasa, B. Scholten and R. Vasalofsky played on the soccer team and S. Beique ran cross-country.

During the winter season, D. Perry, C. Hagglund, P. Robbins and W. Johnson all played varsity basketball while K. Paquette cheered them on. At the arrival of spring, baseball and softball were cancelled and the spring "countdown" days passed slowly. The class concentrated on surviving until the seniors graduated. Finally, on May 27, they were finally safe and finally became seniors when the class of '83 switched their tassels.

And now the class of 1984 is the senior class at Sutton Memorial High School. They have experienced many moments and have created many memories and they are anxiously awaiting graduation.

DEDICATION

To You

for diapers changed and teardrops dried,
for guiding us, we know you've tried,
from riding bikes to driving cars,
you've showed us how, you've got the scars.

for teaching us our ABC's
and counting up from 1-2-3
from penmanship to History class,
with all our jokes both cute and cross.

You watched us when we learned to dance
and now it's "Pomp and Circumstance."
All those who gave us education
see passing, one more generation.

for all the trouble we have caused,
for all the strife from all our flaws,
for all the heartaches you've endured,
for all the sickness that you've cured,

for surviving all our growing pains,
for helping fill our childish brains,
you've structured us, you've taught us how,
to live as we will have to now.

We're on our own, our lives unfold.
We'll try to live as we've been told.
Success is what we hope to find
We thank you all for spending time.

for all you've given through the years,
for all your teaching, all your tears,
for all who've touched our lives 'til now,
We wish to thank you all, somehow.

to show our deep gratification,
all our love and appreciation,
for all you've done, and all you do
we dedicate this book . . .

to you.

SCHOOL OPENS

Rain !!

Busses rolled in at 7:30 as the first day of our senior year began. Enthusiasm and smiles are exchanged as we visited with some friends we hadn't seen since June. Also we acquainted ourselves with 2 new underclassmen groups, the Classes of '86 and '87. Freshmen and Sophomores entered the hallowed halls of S.H.S. for the first time.

The once empty hallways are now crowded and busy. At 7:45 the routine began, homeroom schedules, literature galore to read, and then marching to the sound of the bells as each new period began. So quickly summer is forgotten and friendships renewed.

Just so you know that we know; these pictures were taken in February.

CONGRATULATIONS, CLASS OF '84
SUTTON PILGRIM FELLOWSHIP

too much thing?

SOCCER:

Contrary to popular predictions of newspapers, the 1983-84 soccer season was a great success. The Sammies had a terrific season despite having to share the DVC crown with arch-rival Bromfield. Ironically though, the season was not what you might call "vintage" Sutton soccer. With only one returning starter from last season's team, people were having doubts as to whether the Sammies could do it again. Add the fact that the team was considerably younger and smaller, there was a bit of pessimism in everyone's head.

But then you would have to be crazy of course! With the backing of a strong coach Mr. Ellis, the Sammies had a victorious season that finished with a record of 11-2-2. Although the team was not overflowing with talent as in past years, it was one which had the will and drive to accomplish something. The final outcome and what could be called the team's motto was hustle and very hard work. The Sammies soon became known for this and along with the constant, endless spirit of the team captains Brian Scholten and Rob Venincasa, these attributes stayed throughout the season.

The biggest game in the regular season occurred on October 4 when the Sammies tangled with the Bromfield Trojans at Sutton. It was a rough game filled with aggressive play and plenty of excitement. It was definitely super-sensational, especially to the Sutton fans as the Sammies came out on top with a convincing 2-1 victory.

From there the team fought through the remainder of the season and were 11-1-2 going into the districts. The opening game Sutton faced St. Mary's at home. Unfortunately, this is when the glory ended. Though the Sammies put forth their best team effort of the season in the worst of weather conditions, they lost 1-0 in penalty shots. Yet heads were held high and rightly so. For, a team who supposedly had no chance of defending its' DVC title the Sammies acknowledged the fact that Sutton will always be the team to beat in soccer.

FIELD HOCKEY:

Determination was the name of the game for the girls on the field hockey team this year. Although winless, the girls refused to ever give up or be defeated in their minds.

The girls met long, trying practices head on with lots of hard work, smiles and spirit. Limited numbers (only three returning players) could not dampen the Suzie spirit the unofficial motto became, "it's the quality not quantity!"

Although faced with what seemed "the impossible," playing seven Suzies against eleven arch-rival Douglas Tigers for an entire game the girls refused to relinquish their pride.

Winning isn't everything....

The girls eventually became a complete team led by Jody Eaton, Pam Robbins and Ruth Hatfield. Other team members included seniors Cindy Libbey and Karan Muzzy, juniors Stacey Vanderwart, Cindy Chesties, Ellen Smith and sophomores Rebecca Piercey, Lynne Taillfer and Holly Ustinovich.

Suddenly the scores became very respectable and they never lost by more than four goals. Most remembered though will be the 0-0 tie with Nipmuc and Ruth's goal against Hopedale.

CROSS-COUNTRY:

The 1983 Cross Country team made great improvements over their previous season (in which they were winless) to compile a record of 3 wins and 11 losses, several of which were decided by just a few points.

Throughout the first half of the season Sutton was guided by a one-two punch from captain Barry Bergoffen and Mark Martocci. A definite season highlight were the back to back wins against Bromfield and Tahanto (the best meet of the season with a score of 22-37).

By the end of the season Martocci was the runner for Sutton. At Bromfield he achieved his best time on that course throughout the 1983 season. Other members of the team included seniors Lee Simmons and Jim Stevenson, juniors George George, sophomore Cheryl Abelli and freshmen Kelly Haggerty, Mike Piercey, Mark Francalancia and Scott Wark. The team was coached by Leo J. Perreault Jr. and managed by Debbie Baltramiatis.

OUR EXCHANGE STUDENT

Anne - Mette Randers
Horsens, Denmark

Since Sisse's arrival she has lived with 2 families in Sutton, the LeBlancs and the Desrosiers. She had arrived in New York and then travelled to Sutton. What amazed her most were the big cars, the big buildings and the number of black people. Denmark was nothing like New York! Her eyes sparkled as she thought about the skyscrapers and mountains of the United States.

She learned very quickly that her American friends did not live like her. Public transportation was the key, she thought. After school in Denmark she is able to go and play European handball, go dancing and visit with friends at various clubs. There are no regulations for teenagers in Denmark. They are much freer.

Since she has arrived, she has been to Florida and has visited Disney World. She travelled to Nova Scotia in the summer.

In April she will join her sister and mother and spend the vacation visiting New York City. Before she returns home in August she will spend one month on a bus tour, crossing the United States to California.

When the next school year begins, she will be attending a 3 year business school. Someday, she hopes to return to visit us again.

GOOD LUCK SISSE!

The Time Draws Near...

- our class photographer -

The Suzies, led by tri-captains Cheryl Hagglund, Wendy Johnson and Pam Robbins finished with a successful record of 13-4. The captains were helped by junior Lisa Dehaan and sophmores Carrie Murry, Cathv Stevenson and Molly Ustinovich.

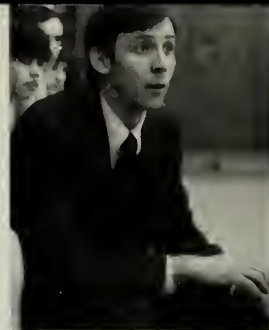

The girls played many close, exciting games. The most memorable was probably Bromfield at home in which the girls came back from a 16 point deficit at half time to win by one point. Another highlight of the season was playing the arch-rival Douglas Tigers at the Clark University gymnasium and winning.

The Suzies, low on numbers but high in determination, were played by injuries at the end of the season. But the girls were tough and proceeded to District Tournament play.

SAMMIES

The Sammies began their 1983-1984 basketball season in mid-December with a tough loss against non-league St. Mary's. But the boys managed to bounce back to beat the Whitinsville Christian School by two. It was one of the most exciting games of the season, with Mike Cofsky putting up the winning shot with just seconds left in overtime.

Although the Sammies ended the season low on wins (with a record of 4-13), they weren't low on spirit and determination. Led by captains Dave Perry and Carl Conlon the Sammies found their next win against Bromfield. A few games later they beat arch-rival Douglas (away from home) when Dave Perry drove coast-to-coast to put up a winning shot from the foul line.

Dave and Carl were helped out by seniors Arun Khosla, Rich Maranda, and Lee Simmons. Juniors Barry Bergoffen, James Loach and Jon-Gary Williams saw some playing time in addition to Mike and Dave Cofsky.

Social Event of the Year

Queen Christina Tidies crowned.

Queen and Court-R. Hatfield, M. Brigham,
